other finishes on request			

Conditions

All models are handmade to order in Switzerland. The delivery time is approx. 6-8 weeks. As each model is custom-made, a deposit of 50% of the sales price is required at the time of purchase.

For the operation with Roon® a licence with costs has to be purchased at roonlabs.com.

The price includes delivery, installation and calibration to the specific room by airplain (in Switzerland/Germany and Austria only). Other countries: please ask.

Delivery is in reusable packaging. This is the property of airplain acoustics ltd. and will be provided free of charge in the event of any relocation.

Limited Warranty: 10 years (bring in), electronic components 5 years

Errors and changes reserved. This price list replaces all previous ones.
